

**Sunday 19<sup>th</sup> Aug, Hens Wood & Kennet Valley 5 miles**

**Parking at A4 layby West of Voronzoff Gate (just across the road to the right from the junction of Bedwyn/Marlborough B road and the A4)**

Our local Ramblers representative, Peter Gallagher, kindly offered to lead this walk for us

19 people came and we walked to Hen's Wood – a wood isolated from the roads by farmland and only accessible on foot. We dropped down to the Kennet Valley and then returned back over the hill through the woods.

The walk is a little over 5 miles long. It's a moderate hilly walk. There are at least a couple of stiles on route.
