

May 2017 Holloway, Wilton Brail

Bedwyn Footpaths Group Monthly Walk

Sunday 21st May, from the wharf. 3.5 miles.

The map route starts at the wharf but our group of 19 walkers met at The Cross Keys in the square and crossed the railway by the church, to go along the towpath to reach the Holloway that the group have cleared and re-opened. From the top of the Holloway we made our way across the fields – recently signed by our volunteers – to the Roman Rd, then we returned to Bedwyn via Wilton Brail.

There's only one stile on the route, no steep inclines.

This walk went on to become Walk No 1 of our Self-Guided walks so a more detailed description can be downloaded from the [Self-guided walks page](#)
