Bedwyn Footpaths Group Monthly Walk – A Wolfhall Walk

Sunday 22nd, from East Sands, Burbage. 3¼ miles.

31 walkers met at the end of East Sands, Burbage. We walked the footpath to Wolfhall. Although Wolfhall manor is closed to the public, we were shown around by prior arrangement and kind permission of the owners, and were able to see the recent excavations of the original Tudor House. We then returned to our route through Suddene Park Farm to cross the Burbage/Grafton road to West Grafton and circuited back to the start, crossing the main road again further west.

Parking: There is road-side parking along East Sands, SN8 3AN.
