

Sep 2015

Bedwyn Footpaths Group Walk – Sunday 20th September, 11.00 a.m. The Cross Keys.

Approx 2.5 miles to St Katherine's and slightly less back!

15 (?) walkers set off up the hill and through Chisbury Woods, continuing through the fields and along the lane to Bedwyn Common. Path 19 takes us through the common and across the road to St Katherine's. A length of this path was cleared earlier this year by one of our working parties with the help of Wilts ROW officers.

On arrival at Saint Katherine's we stopped for refreshments by kind permission of the church wardens before returning to the village via Stock common.

Tesher will then lead the second half of the walk back down to Bedwyn by a different route. Through the common to Stokke and arriving back
