

Sep 2017 Hatchet Lane, Crofton, towpath

Bedwyn Footpaths Group Monthly Walk

Sunday 24th Sep, from The Square at 11.00 am. 4 miles.

9 walkers completed this circular walk, along to the end of Church St, up Hatchet Lane and left along behind Bloxham Lodge. After leaving the woods we turned left down to Crofton Farm before turning back to Great Bedwyn along the towpath, and to the village via the railway crossing by St Mary's Church.

Some short muddy sections through the woods behind Bloxham Lodge but otherwise the walk is moderately easy with no stiles. The usual care needs to be taken on the 2 pedestrian railway crossings. The previously flooded and pitted road by Crofton Farm, which we experienced the last time we walked this route, has now been repaired thanks to the co-operation of Wilts rights-of-way department and the owner.
