

Village History walk and Christmas drinks. 16th Dec 2018

On this traditionally short Christmas walk and we were accompanied by Steve Hobson, a knowledgeable member of the Bedwyn History Society who led us on a gentle walk of just under an hour around the village, stopping at various points of historical interest. The basis of his walk was the Bedwyn History Society walk route which Steve has created. You can download a copy here:

Bedwyn History Society Walk

Afterwards, at midday, Teshar kindly invited us back again to her house where 31 members enjoyed warming mulled wine and delicious refreshments provided by group members. We celebrated our 4th anniversary by launching the publication of the first 3 new walk leaflets and our new website! There was a raffle and a competition so prizes were won by some members.
